IN DEDICATION TO

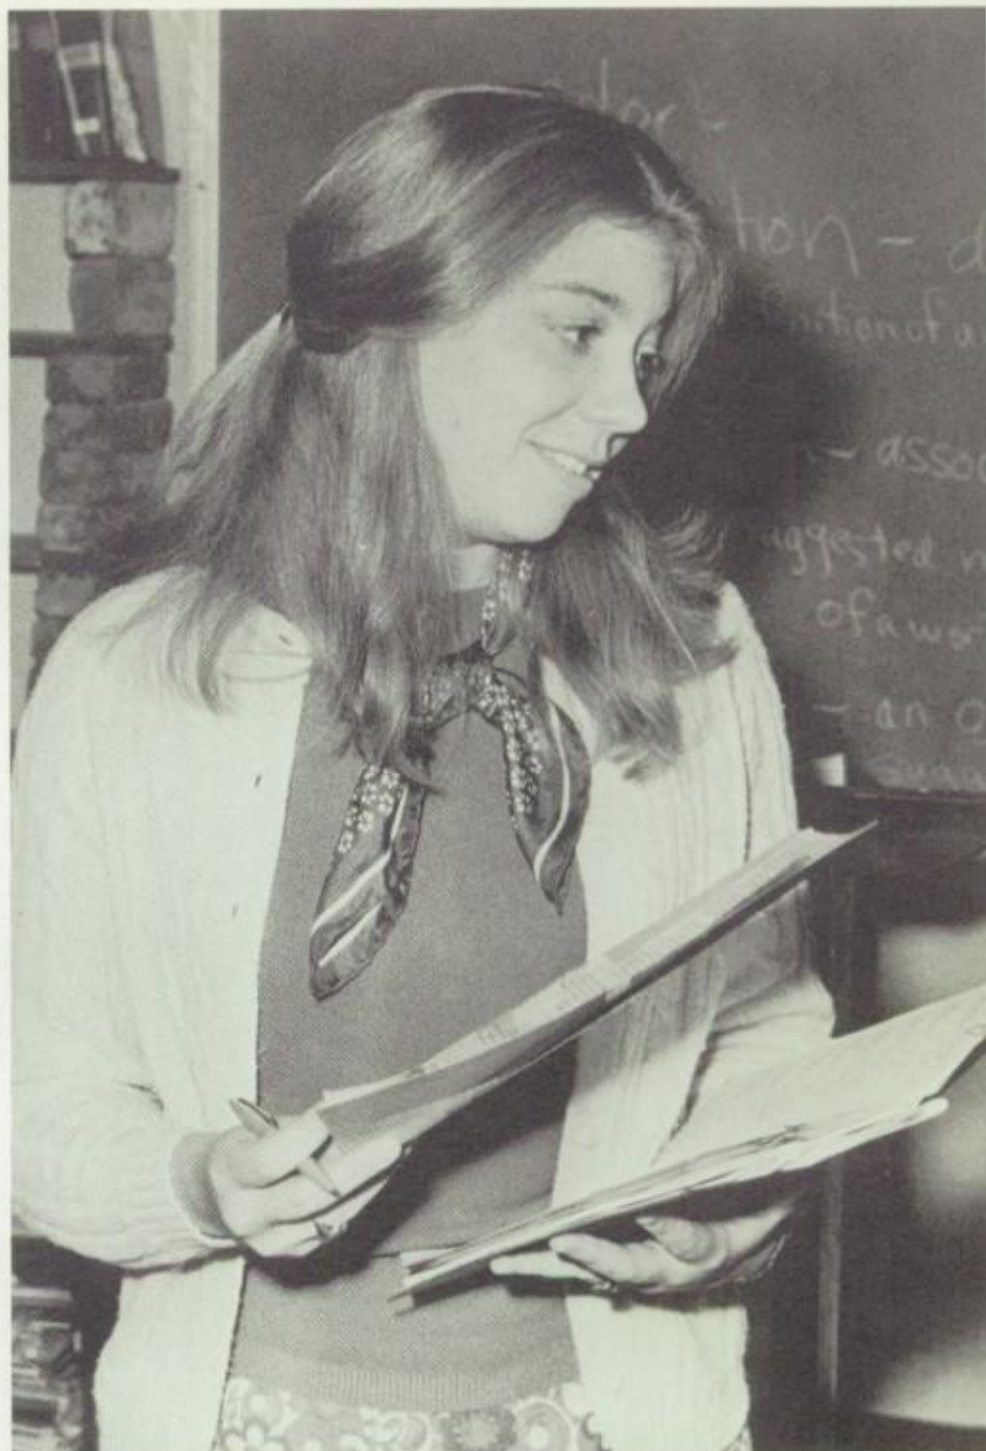

MISS DIANE AMIOT

"To know Him is to know all.  
To be touched and gripped  
by the Spirit in this realm  
means being led into all truth."

—Karl Barth

To know Him . . . is to become involved with Him,  
and to actually live His philosophy based on love and  
on an active concern for others.

We first knew her as a teacher, but in just a little  
time we became friends. She shared her knowledge  
with us and much more: her warmth, patience, under-  
standing, concern and friendship . . . all of which are  
impossible without love.

We dedicate this yearbook to Diane Amiot with  
gratitude, sincere best wishes, and love.

If I had the gift of being able to speak in other languages without learning them, and could speak in every language there is in all heaven and earth, but did not love others, I would only be making noise. If I had the gift of prophecy and knew all about what is going to happen in the future, knew everything about everything, but did not love others, what good would it do? Even if I had the gift of faith so that I could speak to a mountain and make it move, I would still be worth nothing at all without love. If I gave everything I had to the poor people, and if I were burned alive for preaching the gospel but did not love others, it would be of no value whatever.

Love is patient and kind, never jealous or envious, never boastful or proud, never haughty or selfish or rude. Love does not demand its own way. It is not irritable or touchy. It does not hold grudges and will hardly even notice when others do it wrong. It is never glad about injustice, but rejoices whenever truth wins out. If you love someone, you will be loyal to him no matter what the cost. You will always believe in him, always expect the best of him, and always stand your ground in defending him.

All the special gifts and powers from God will someday come to an end; but love goes on forever. Someday prophecy and speaking in unknown languages, and special knowledge—these gifts will disappear. Now we know little, even with our special gifts, and the preaching of those most gifted is still so poor. But when we have been made perfect and complete, then the need for these inadequate special gifts will come to an end, and they will disappear.

It is like this: when I was a child, I spoke and thought and reasoned as a child does. But when I became a man, my thoughts grew far beyond those of my childhood, and now I have put away the childish things. In the same way, we can see and understand only a little about God now, as if we were peering at his reflection in a poor mirror; but someday we are going to see him in his completeness, FACE TO FACE. Now all that I know is hazy and blurred, but then I will see everything clearly, just as clearly as God sees into my heart right now.

These are three things that remain—faith, hope, and love—the greatest of these is love.

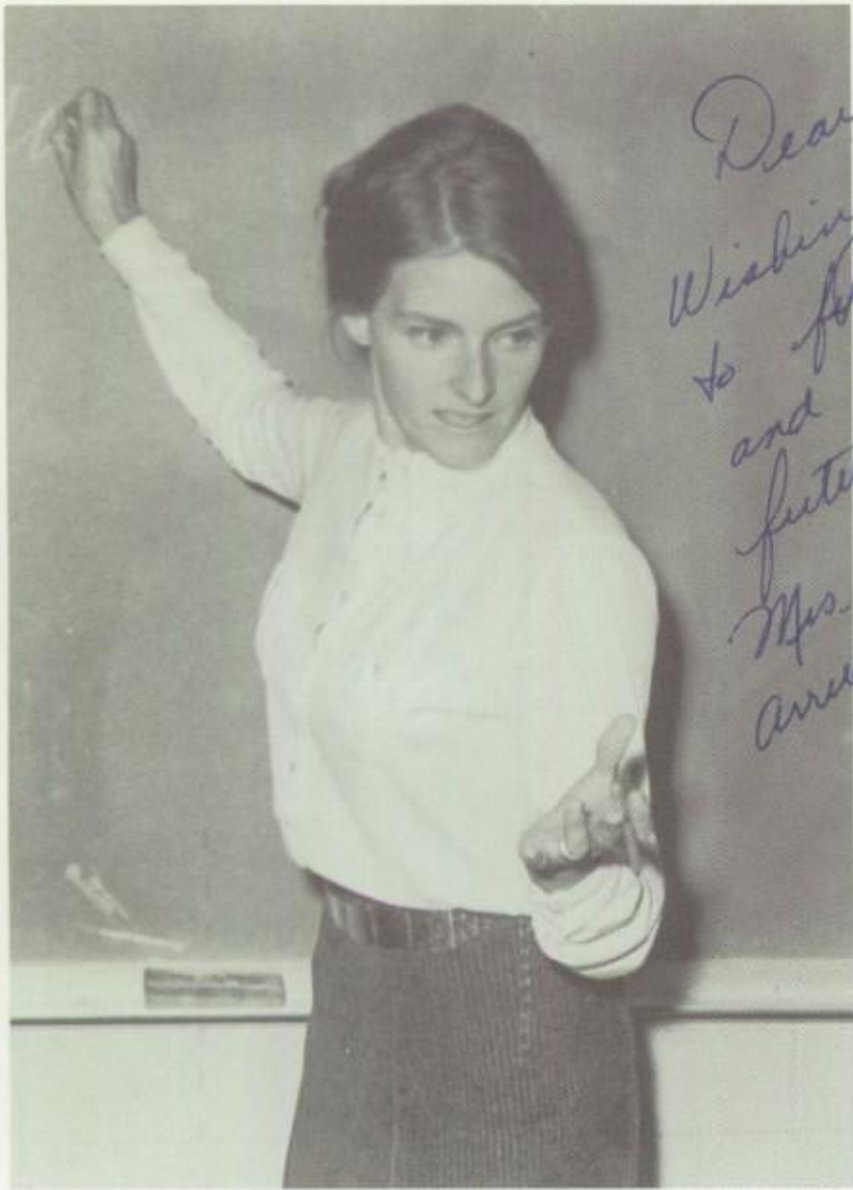

*When I was a child, my thoughts, speech, and feelings were those of a child.*

Dear Wes -  
 Wishing you, sincerely  
 to find your way -  
 and a very wonderful  
 future!  
 Mrs.  
 Arueda

*But now that I am a man, I have no more use for childish ways.*

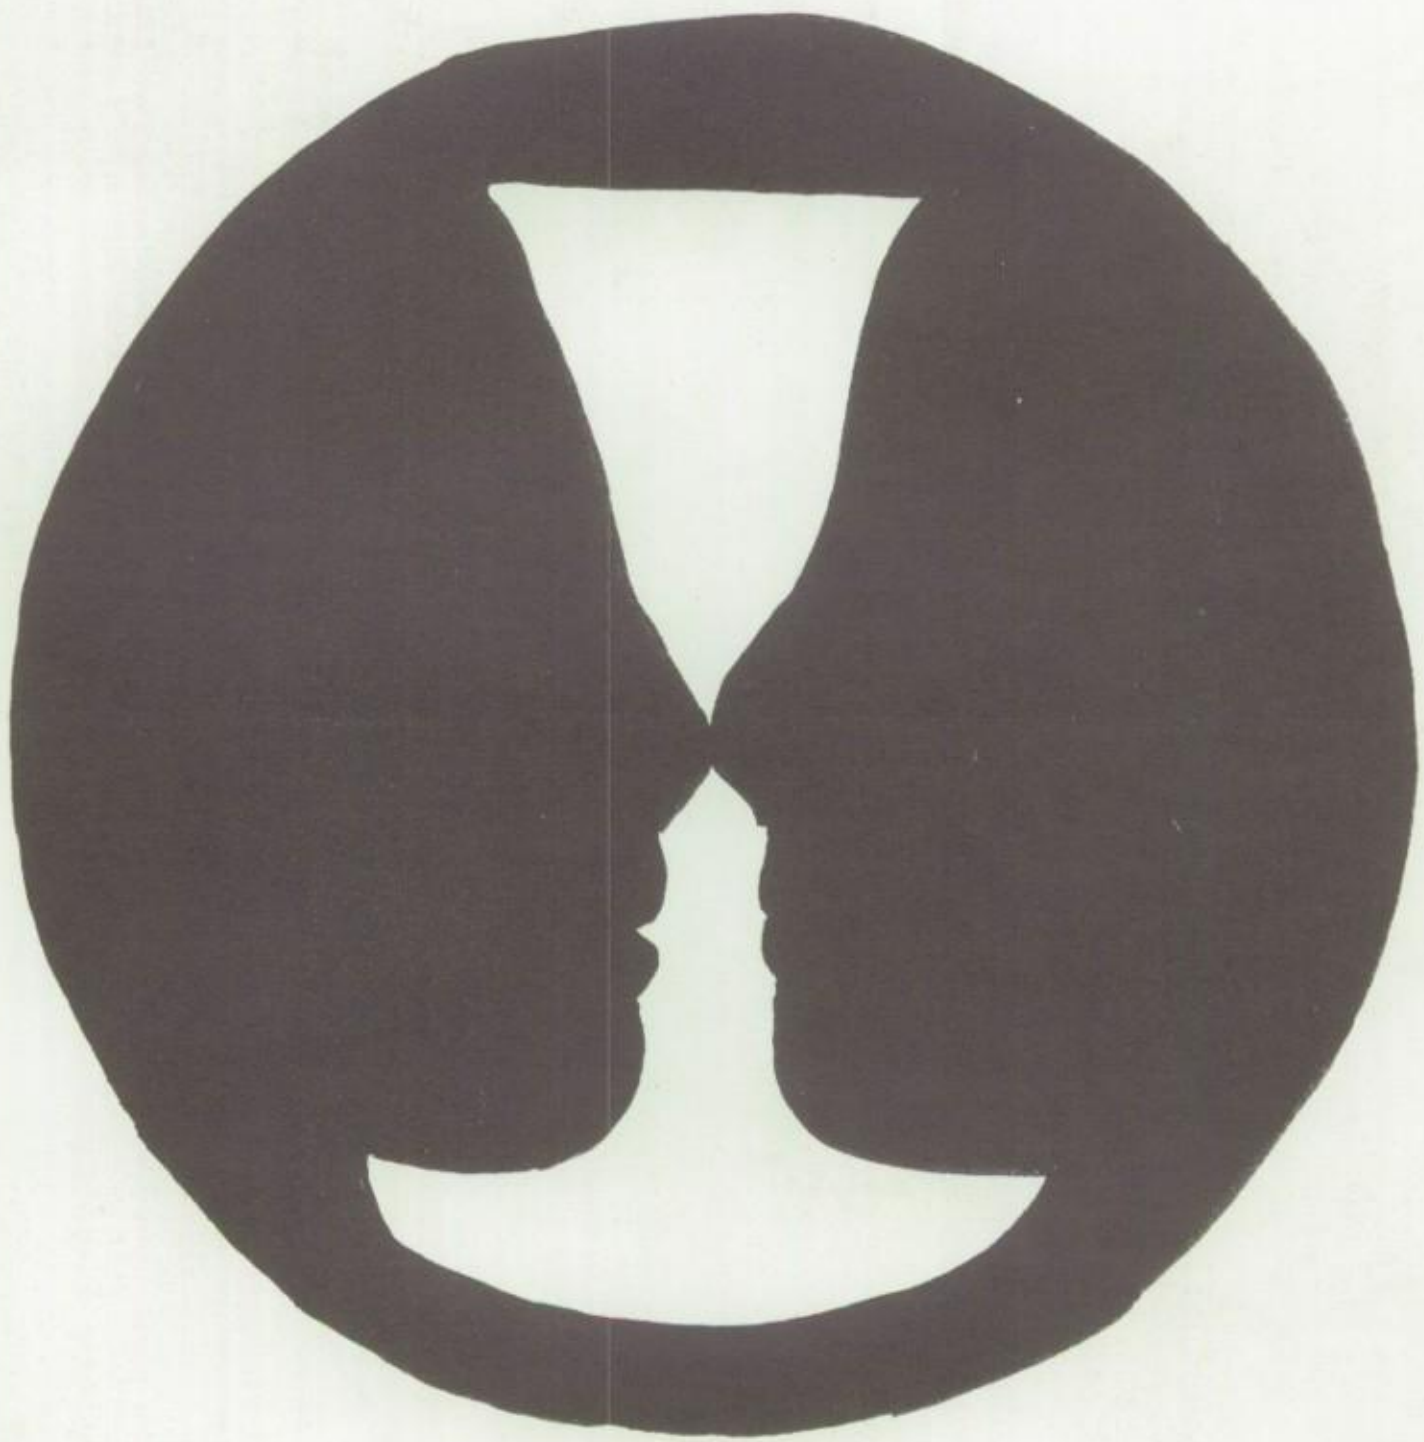

*What we see now is like a dim image,*

*But then we shall see  
FACE TO FACE*

Life is sweet because of the friends we have made  
And the things which in common we share;  
We want to live on, not because of ourselves  
But because of the ones who would care.  
It's living and doing for somebody else—  
On that all of life's splendors depends;  
And the joy of it all, when we count it all up,  
Is found in the making of friends.

 Row 3: Coach Rob Wells, Dave McCowan, Phil Anderson, Everett McGinley, Glenn Busfield, Pete Johnson, Mark Neri, Steve Deinstadt.  
 Absent: Coach Ed Arruda, John Sideropolis.

This year's soccer team had the most successful season in L.C.A. soccer history, 10-6-3, highlighted by a six-game winning streak to close out their schedule.

The offense was led by high-scorer Gordy Vosler and runner-up Rudy Pizzano, who came up with a four-goal game. Backing them were Bob Colby, Glenn Busfield, and Pete Johnson, all who had three-goal games.

The defense was backboned by the aggressive play of Dan Taylor, Joe Arcidi, Dave McCowan, and Steve Deinstadt. Behind them was goalie Allan Ferguson, who had a school record of five shut-outs.

Head Coach Rob Wells was helped out again this year by Mr. Ed Arruda, and by giving up his valuable time, he contributed greatly to our team's improvement. After a great year, Coach Wells can look forward to another excellent season, since only one starter on this year's team was a senior.

## GIRLS' FIELD HOCKEY

Managers: Darlene McCarthy, Gretchen Macdowall, Heidi Peters.

After three successful scrimmages which saw the team grow from 9 to 21 team players, L.C.A. began a regular schedule by playing a Lexington "B" team, and they played an overtime wanting a victory in place of a tie. This is indicative of the great enthusiasm the team showed all year. After other scrimmages at Walnut Hill and Buckingham, the team got much stronger.

The game that was played at Thayer involved the Junior Varsity players, who performed so well that the Thayer team played their Varsity team. L.C.A. then played a home game with Buckingham scoring a 2-2 tie. The season closed with an amazing feat of a 10-0 victory against Dublin. There in Dublin, New Hampshire, in the freezing cold rain (where they forgot their rubbers) the girls' field hockey team won!

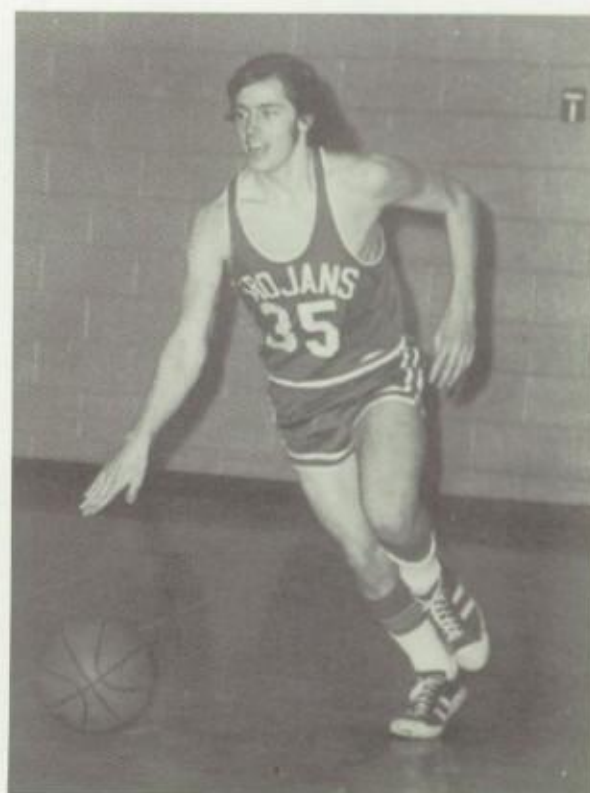

Team: Mark Roberts, Bob Colby, Co-captain; Al Ferguson, Dave Brooks, Glenn Busfield, Co-captain; Gordy Vossler, Peter Johnson, Dave McCowan, Dan Taylor, Mel Cragwell, Coach Strodel (absent).

## BOYS' VARSITY BASKETBALL

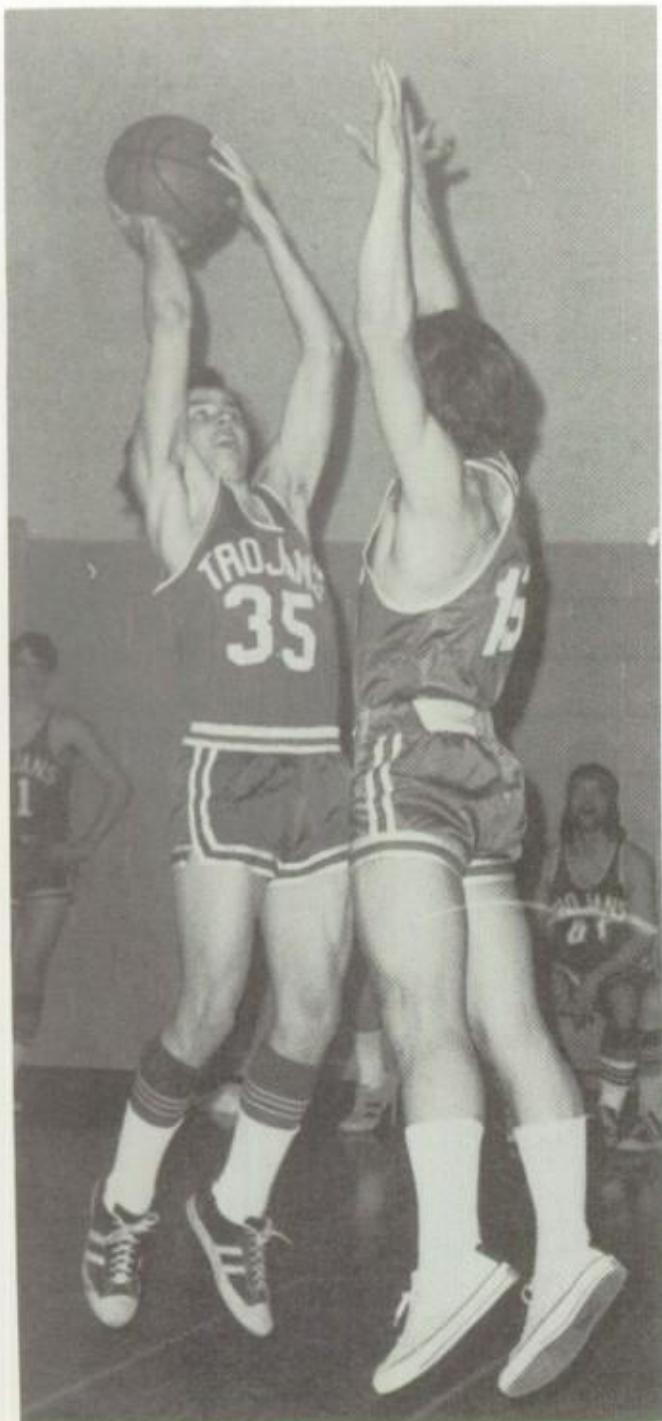

Co-captain, Glenn Busfield

Co-captain, Bob Colby

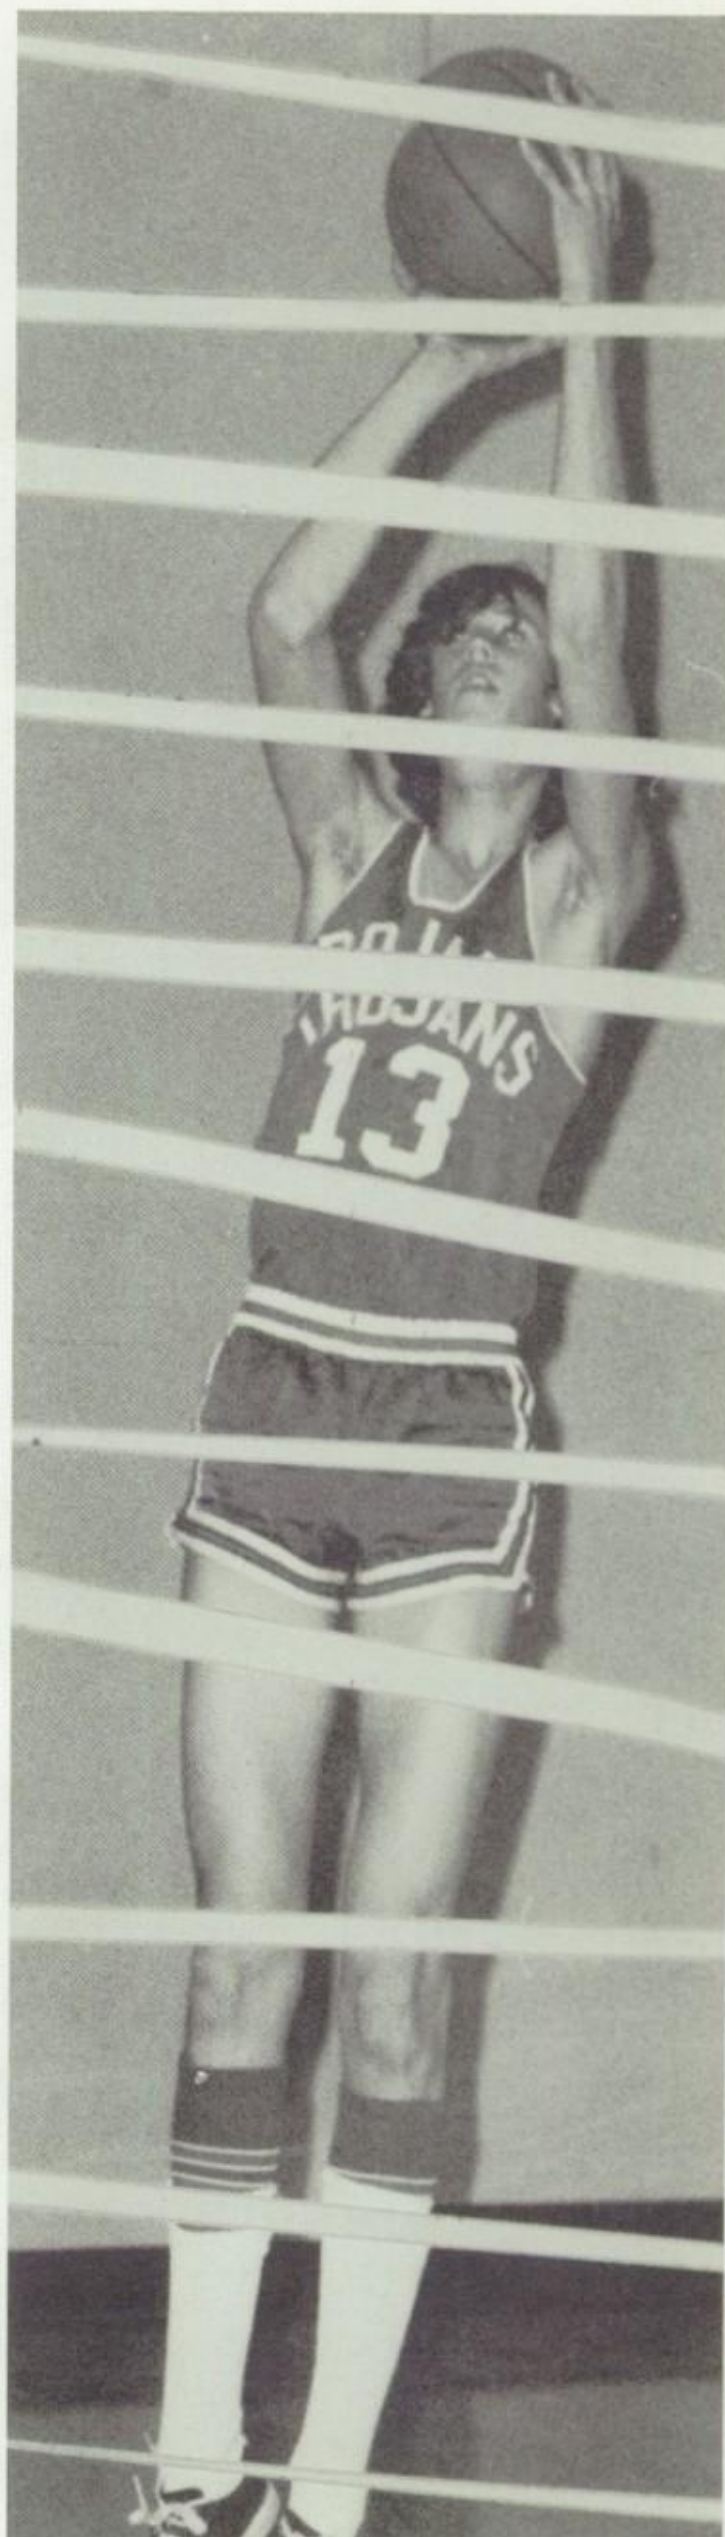

The very young and inexperienced Varsity Basketball Team had a disappointing season, ending up with a 7-15 record. Throughout the season the Trojans were led by the high scoring duo of Co-captain Gordy Vossler and Bob Colby. The rebounding chores were handled by Al Ferguson and Co-captain Glenn Busfield, while Dave Brooks and sophomore Mark Roberts did a fine job alternating in the fifth starting spot. The high point of the season came in the last game when the Varsity upset a solid Bromfield team. Coach Strodel can now look ahead to a fine season next year, as all but one of the starters are expected to return.

The girls' Varsity Basketball team had a terrific year thanks to the coaching of Irene Campbell and Jean Mara, assisted by Mrs. Strodel. The Varsity had a record of 13 wins and 5 losses. Martha Keen and Barb Lynch led the Varsity scoring, and defensive work by Debbie Ellard, Kris Etter, Denise Horwood, and Lisa West boosted the team to victory. The Varsity squad had a strong beach team to support them not only in play, but also with injuries.

The girls' Junior Varsity Basketball team worked hard this year. Towards the end of the season, their work in passing helped them fight for several close scores. Carolyn Bowen and Laura Nordley led the team in scoring and ability. The team has strong hopes for a good season next year.

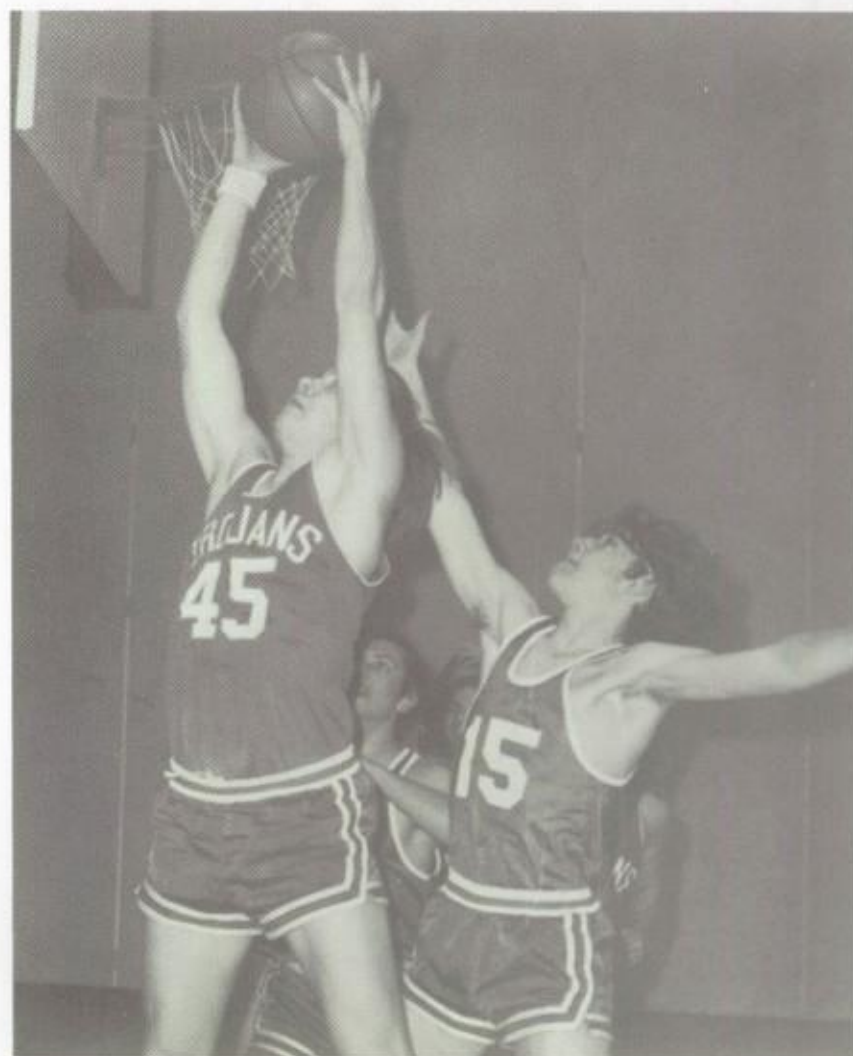

Row 1: Garth Johnson, Dan Taylor; Rudi Pizzano, Captain; Dave McCowan, Mel Cragwell. Row 2: Coach Rob Wells, Doug Shaw, Mike Toohey, Mark Neri, Bruce Margosian, Joe Arcidi, Tim Laniak.

This year's Junior Varsity team came up with a sub-par 7-11 record. Although the season as a whole was not a great success, the team came up with a few great victories showing good hustle and aggressiveness. The team was guided by Captain Rudi Pizzano, while high-scorer Dave McCowan and Bruce Margosian helped to generate the offense. The highlight of the season for Coach Well's team came in the last game when the hustling J.V.'s upset Bromfield.

Although they only had a record of 2-8, this year's Junior High team found themselves in more close games than in the past. But Coach Steele's team just couldn't put it all together when it counted. The team was led by high-scorer and rebounder Garth Johnson, playmaker Davey Johnson, and the all around fine playing of Doug Witthun. Assisting Coach Steele this year was Keith Bugbee, who served as the team manager.

## NEW LIFE SINGERS

This year The Make-Believers became The New Life Singers. Jesus Christ has given us a new life to live, so we changed our name because we want to share our love for Him in our singing and in our new name. The group consists of eight vocalists, three instrumentalists, one technician and a lot of Jesus Christ. As we give our concerts at various churches in the Greater Boston Area, we hope to relay a message that will bring others to Christ.

## CLASS PROPHECY

It was the night of Dec. 22, 1978; Cindy Johnson had just settled down to watch "All in the Family," when suddenly the phone rang. It was Ann Pizzano. At this same time in Lexington, reporter Cindi Traill was interviewing Mr. Jeffery Johnson, owner of the Jeff Construction Company. Mr. Johnson was building a sky-scraper at 48 Bartlett Ave. Suddenly there was a great commotion. Scott Elliot, one of Mr. Johnson's technicians, had his thumb stuck in one of the water faucets. At this point taxi driver Patti Tine arrived with photographer, Wesley Wolcott, who wanted to take pictures of Scott. Finally Mr. Johnson's secretary, Bev Augenstein, suggested they call the famous Dr. Pilgrim doctor of medicine, psychology, and anything else.

Meanwhile, at Symphony Hall a memorable concert was taking place. The renown guitarists Joel and Ron; pianist, Karen Zaccardi; and flautist, Sharon Trott were performing. Sitting in the front row were fans Sandy, Linda, Cindy, and Debbie. Seated in the balcony were Dr. Pilgrim and her assistants Dr. Ali and Dr. Bunting.

Suddenly announcer Diane MacEachern interrupted the performance to page Dr. Pilgrim. Dr. Pilgrim rushed to the phone in the lobby. As operator Debbie Johnston was connecting Dr. Pilgrim to Mr. Johnson, Ann Pizzano's voice broke through the line; Debbie immediately suffered a headache. After learning the details of Scott's accident, Dr. Pilgrim ordered the faucet to be cut. Scott was to be taken to the Busfield General Hospital, the quietest hospital in the state of Massachusetts. Ambulance driver, Priscilla Sidelinker, made the trip in 18½ minutes. The patient was met by Mr. Busfield and nurses Giger and van der Ploeg. Soon Dr. Pilgrim and her assistants Dr. Ali and Dr. Bunting arrived; they examined Scott and decided Scott should be referred to physical therapist Denise Horwood.

Now all problems were solved. It was 12:43. Scott was in good care; the concert was over with fantastic reviews. Everyone was settled in their homes for a good night's sleep, and Ann was still talking to Cindy Johnson.

*Meanwhile, the greatest thing remains:*  
**LOVE**

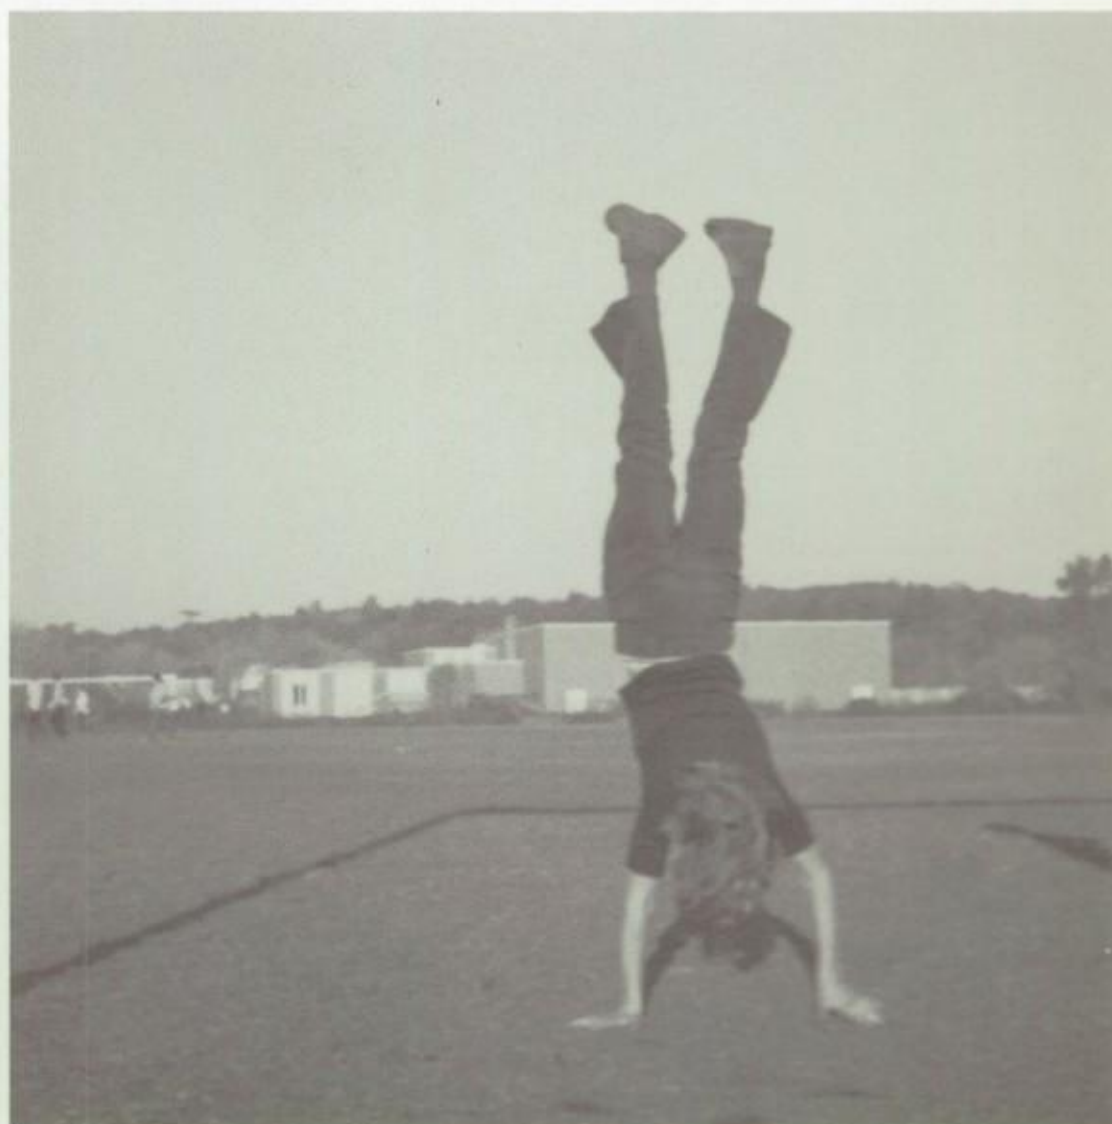

*Through love, one creates his own personality and helps others create theirs.*

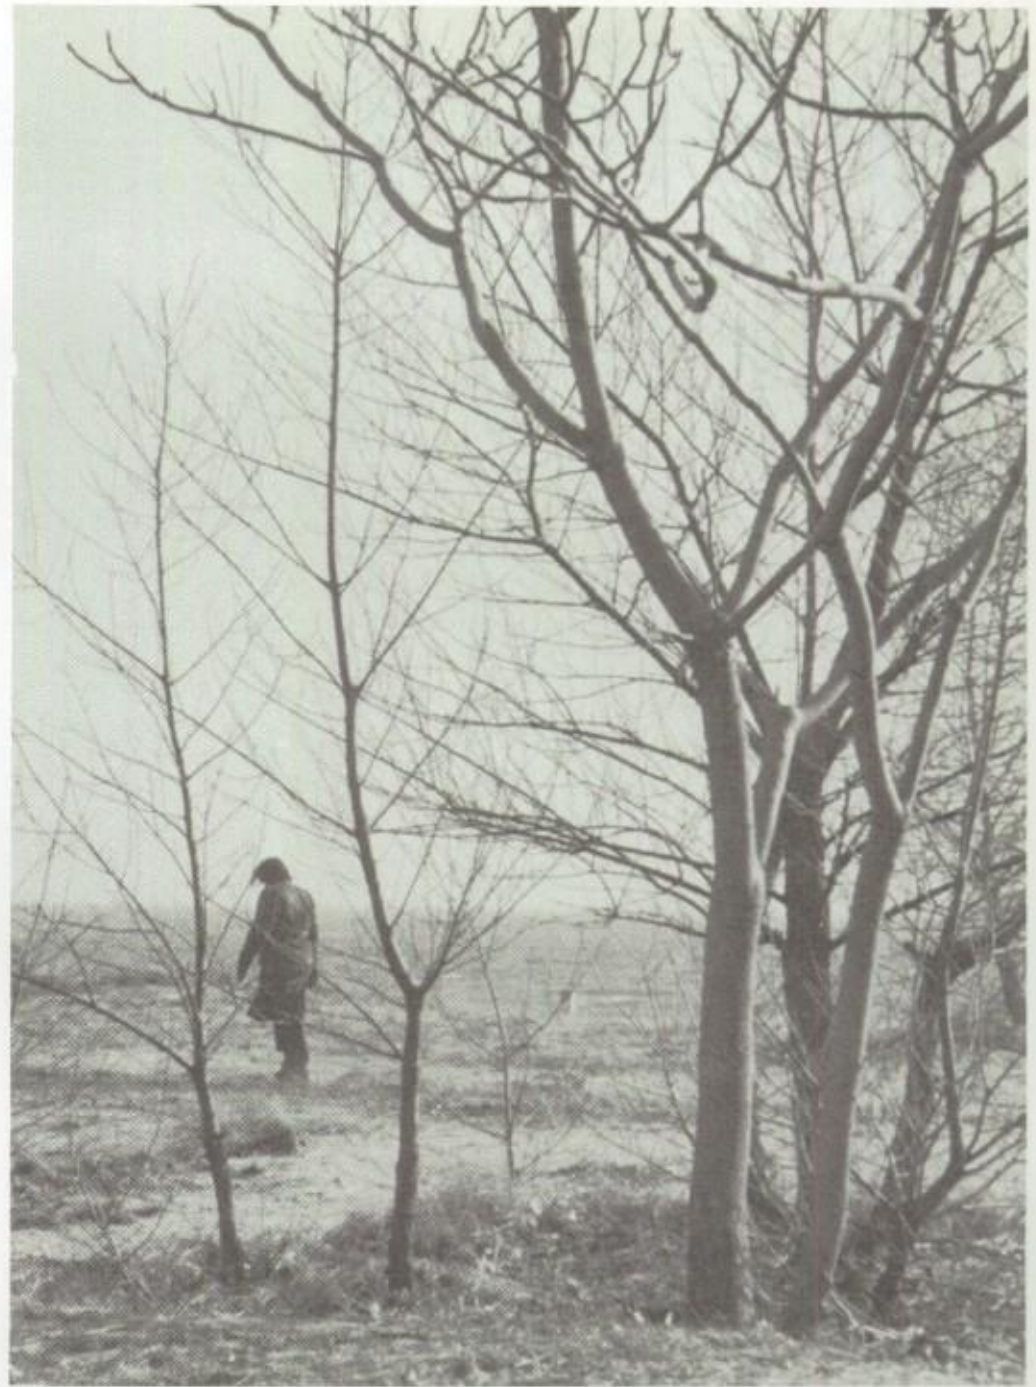

*Don't try to understand me; just love me.*

*No man is a light unto himself,  
not even the sun.*

*Until I truly loved,*

*I was alone.*

*In nature  
we can find God's love.*

*Love cannot hurt or be hurt, because it is the purest reflection of God.*

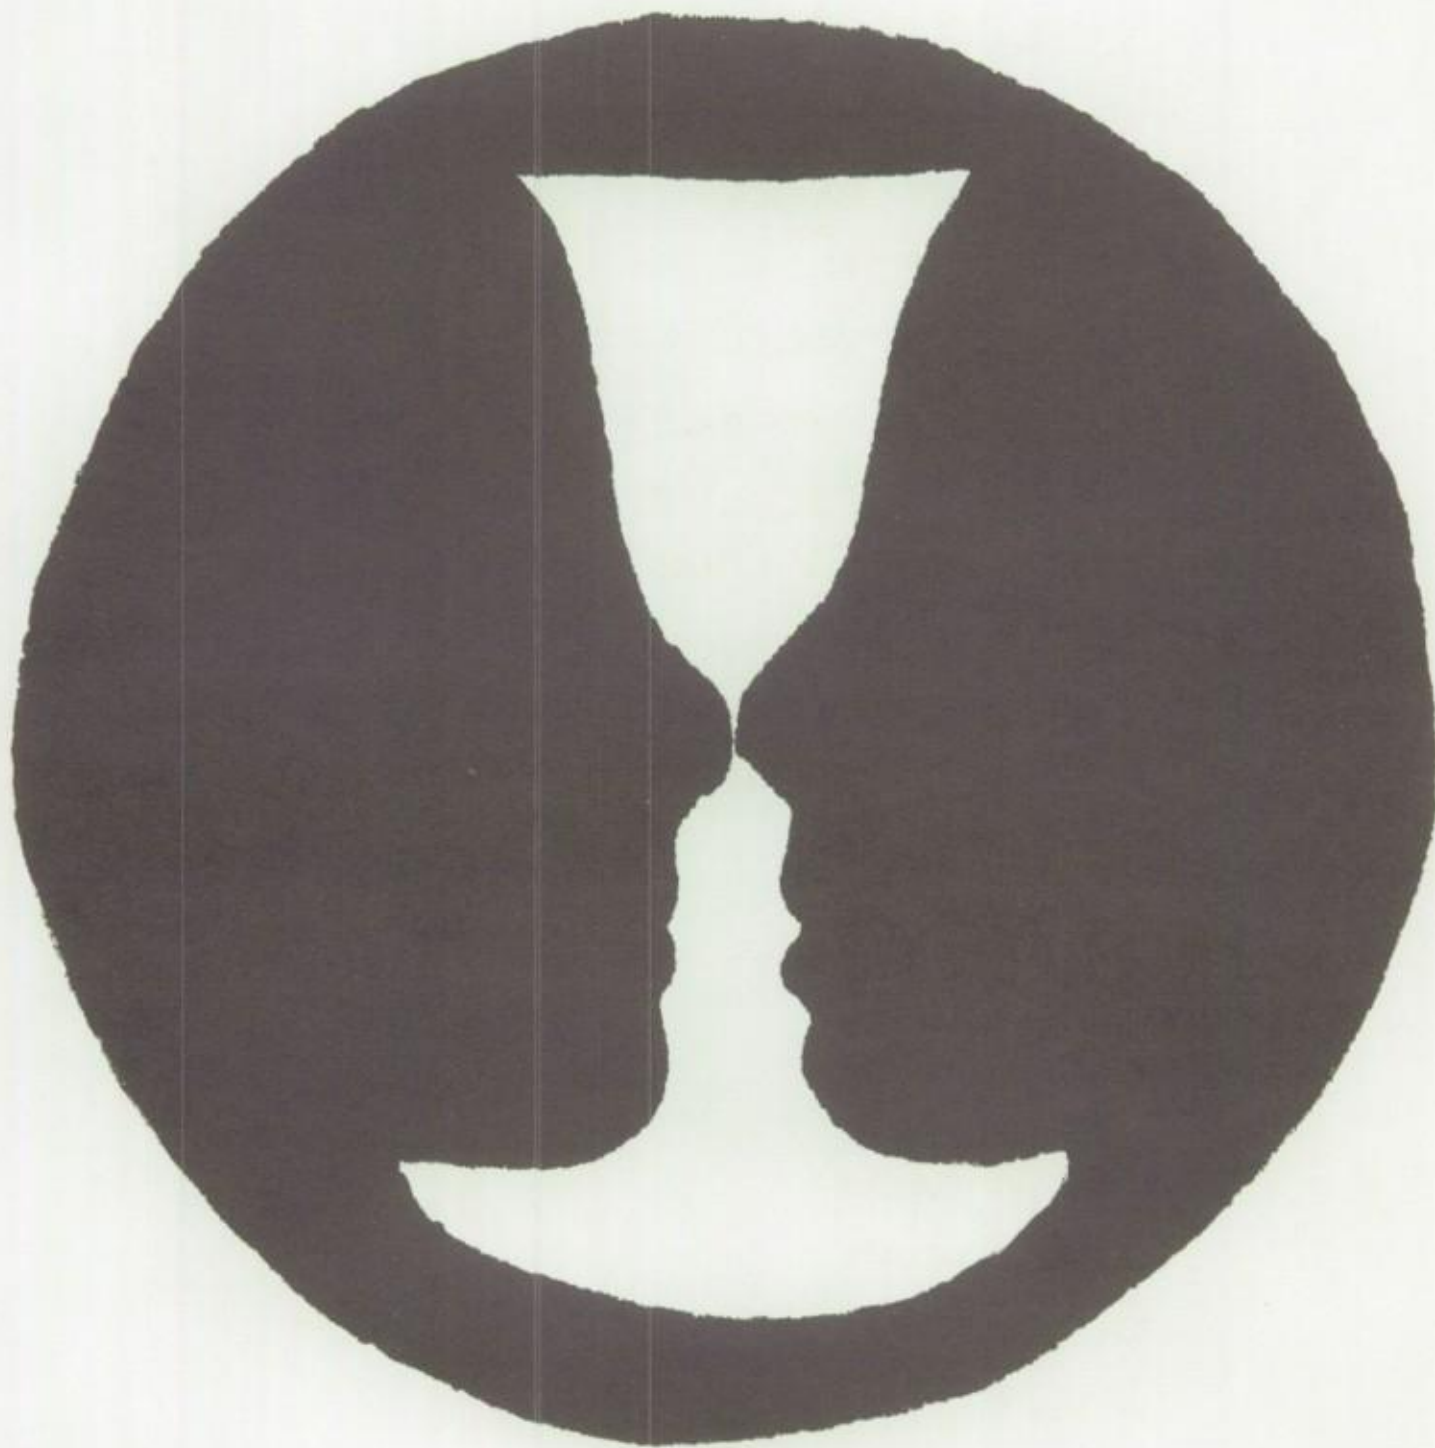

It's hard  
to say  
"I love you"  
on paper;  
To express  
the warmest feelings  
with a piece  
of cold lead;  
to paint  
bright emotions  
in  
black  
and white;  
and to  
confine it  
to a piece  
of paper  
eight-and-a-half

Will you  
take  
my word for  
it?
